Third Edition: 22/05/2010

Bank Holiday Collections

Please remember that due to the Bank Holiday on 31st May, all collections may be subject to change for that week. If you normally have collections on Monday, they will rollover to Tuesday and so on through the week. We do work very hard to try and catch up with collections by mid week, but, if we are still struggling, we will be in touch. Thank you for your understanding.

Shoes, Belts, Handbags.

Please help us by packing Shoes, Belts and Handbags separately, for all future collections and informing the drivers of your bags contents.

West Country Shops

Please feel free to contact your RTS representative directly with any issues with your collections on 07791734521.

Treats

Hopefully, you have all received your monthly treat, by way of thanks for your custom, from RTS, which came in the form of Cakes this time!

I hope you were all able to enjoy this treat.

Look out for the next role out around the 7th June! Yummy!!!

0800 Number

We are always striving to make things easier for our customers. We are currently looking into having a 0800 number supplied, so that calls to our offices are free to you all. We will keep you posted with our progress.
