RECYCLING DOESN'T COST THE EARTH

Second Edition: 22/03/2010

Peter gets married!

Peter Burrige , our well loved member of the team in the West Country area, got married to Donna in Exeter on the 27th February 2010. A good time was had by all and I am sure that, along with us, you wish them every happiness in their future together (pictured on right >)

Easter Collections –

Normal service will remain on Good Friday.

Easter Monday we are closed. Therefore, any shop that is normally scheduled for a Monday collection will move to a Tuesday. This may mean that some shops with Tuesday collections could be delayed, however, we will inform you if this is the case and will most certainly endeavor to be back to normal service by the Wednesday.

Enclosed leaflet-If you feel that a local charity could benefit from our services, please feel free to pass this leaflet on. We are always happy to take on new Charities and build awareness of the work that we do.

Waste Carriers License Renewal-

Our Waste Carrier's License was renewed on the 14th March 2010 and so we can confirm that our Registration Number is:-

CB/WP3107QF (previously known as EAN/932774)

This is the number to quote, should you wish to apply to your local council for Recycling Credits.

Cookies!

We hope that you enjoyed the cookies sent out to all of you at the beginning of March as thanks for your business? Be on the look out for more goodies coming your way from the 29th March!

Final Thank-you

Thank you for using the Rag sheets for your collections. We have enclosed a few more to keep you going!
